

500 Miles Non-Stop in a Sailplane - by Rock Swanson

All facets of flying have their advantages and special educational skill sets. Explore how Soaring can increase your knowledge base in weather and overall pre-flight planning. This can help improve your safety in your powered flight experience.

Directions: Located in Fallbrook, California, the meeting room is between the La Caseta Mexican Restaurant and the Pine Tree Lumber Yard.

A message from the National FAASafetyTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
